We quickly reviewed the ZA Report (copy attached) and the only item of discussion was the concern of a conflict of interest if ZA J LaVecchia works on design of the Michael Maher guest house foundation plan as an employee of J K Miles. This issue was discussed briefly and the conclusion was that there is no conflict of interest as long as LaVecchia's participation is via his employer, rather than directly.

Meeting adjourned at 9:30 PM

Respectfully submitted,

Phil Chapman, Secretary
